## Historian's Report

I've found all of the old minutes, with the exception of 1932, and 1934-40. If you have a copy of the missing minutes somewhere around, please bring them to the reunion so that I can copy them. On another note, this year will be the 84th annual reunion. We can take pride in the fact that we are one of very few families who can boast such a long string of annual events. Please try to encourage attendance within your family. - JCM
